

SPECIFICATION

Window Film 1300 clear

Ultra clear and removable PET film with silicone adhesive for window decoration. Due to silicone adhesive, the material is very easy to install: no stickiness to the fingers, leaves no residue after removal, wet and dry application possible. Not suitable for outdoor application.

End use: Retail window advertising, glass partitions, indoor window advertisements and decorations.

Furnish: 100% polyester.

Finish: gloss.

Ink compatibility: Latex, UV, eco-solvent and solvent.
